

## Section 2. Protocol

---

The table below documents the history of the MTN-016 protocol along with Clarification Memos, Letter of Amendments, and Full Amendments. These documents are considered Essential Documents. A copy of each document should be available to staff and a copy should be maintained in your essential files.

<b>Document</b>	<b>Date</b>
MTN-016 Protocol, Version 1.0	17 December 2008
Clarification Memo #01	01 July 2009
Clarification Memo #02	09 April 2009
Clarification Memo #03	25 November 2013
MTN-016 Protocol, Version 2.0	11 February 2014

Note: Clarification Memos are incorporated into subsequent Letters of Amendment, and Letters of Amendment are incorporated into subsequent full versions of the protocol.

Further information on the content and required handling of protocol clarification memos, letters of amendment, and full amendments is available in Section 10 of the MTN Manual of Operations.
