

MTN-004 Acknowledgements/Attributions

Bibliographic Citation

Publications based on MTN-004 data should acknowledge those sources by means of bibliographic citation. To ensure that such source attributions are captured for public science bibliographic utilities, citations must appear in footnotes or in the reference section of publications. The bibliographic citation for this data collection is: National Institute of Allergy and Infectious Diseases, the National Institute of Child Health and Human Development, and the National Institute of Mental Health of the National Institutes of Health, US Dept of Health and Human Services, MTN-004 Study. Statistical Center for HIV/AIDS Research and Prevention, Version 1.0, June 2010.

Funding Acknowledgement Statement

Publications utilizing these data are required to include the funding acknowledgement statement below.

MTN-004 was funded by the US National Institutes of Health (NIH). The study was designed and implemented by the Microbicide Trials Network (MTN). The MTN (U01AI068633) has been funded by the National Institute of Allergy and Infectious Diseases (NIAID), the *Eunice Kennedy Shriver* National Institute of Child Health and Human Development (NICHD), and the National Institute of Mental Health (NIMH). MTN-004 was also funded through NICHD awards to the Adolescent Trials Network (U01 HD040533 and U01 HD040474) co-funded by NIMH and NIDA. The study products were provided free of charge by Starpharma Pty Ltd. The Statistical Center was supported by NIAID (U01AI068615).

Study Staff Acknowledgement Statement

Publications utilizing these data are required to include the study staff acknowledgement statement below.
