Are you a young woman between the ages of 15 and 17? The Fenway Institute is looking for **YOU** to participate in a research study.

Young women will be asked to:
• Use a vaginal ring every day for about 12 weeks
• Visit the clinic every month to get a new ring
• Answer questions about health and ring use
• Have health exams, lab tests, pregnancy tests, and/or HIV tests at some visits

Visit mtnstopshiv.org/forms/mtn023fenway to see if you are eligible.
